ExpressJet Airlines
As the world's largest regional airline, ExpressJet's 9,000 aviation professionals work hard every day to safely connect more people, more often to the places they love. With an average of 2,200 daily flights and an all-jet fleet of more than 400 aircraft, we operate through capacity purchase agreements as American Eagle, Delta Connection, and United Express to seamlessly deliver service to more than 190 airports in more than 40 U.S. states, District of Columbia, Bahamas, Canada and Mexico. Learn more about what makes us ExpressJet below.

Passenger Portal
ExpressJet operates scheduled flights as American Eagle, Delta Connection, and United Express. Find links to travel information for each of our partners here.

Career Portal
ExpressJet is successful because of our amazing people. Visit here only if you're ready to make the ExpressJet difference every day.

Our Difference Makers
Find out how some of ExpressJet's team of 10,000 aviation professionals make a difference on our front lines and behind the scenes every day.

Meet Fabiano, Flight Attendant
For the past decade, Fabiano Vodopivec has been a flight attendant with ExpressJet Airlines. He begins his day with a smile that doesn't leave his face until his last passenger deplanes (that is, if he ever stops smiling).

Testimonial
"We write this letter with greatest of compliments with regard to your Customer Relations Specialist for her superior customer service and resolutions to problems. We have to praise her for her outstanding, caring, efficient, expeditious and dedicated work."
